What is Move 4 Water?

Move 4 Water is a multi-site fundraising event. On June 7th, 2025, participants from across the globe will gather friends, family, and neighbours to get active in support of safe water access.

Grab a few friends and create your very own virtual fundraiser. Get active by choosing your favorite way to move. You can walk, ride, run, kayak, skateboard, or swim for safe water.

WHY MOVE 4 WATER?

This year alone another 1.4 MILLION PEOPLE WILL DIE from diseases related to contaminated water, sanitation, and hygiene. By working together to spread safe water access **WE CAN SAVE LIVES!**

Next Steps

So you have signed up, and gathered your people, what next?

01

Personalize your fundraising Page

Add photos and share why you are Moving 4 Water. Invite others to join your team and get active with you.

02

Get Social

Share a link on social media to your fundraising page. Invite your network of friends and family to support your event. Share your progress of your training and your event online using **#move4water**

03

Invite your employer to support your initiative

Ask them to be a corporate sponsor or match donations for your event. Invite your workmates to create their own team.

04

Send Emails

Invite family and friends to support you by either joining your team or sponsoring you. Don't forget to thank them for their support.

Want to learn more about the work of H2O4ALL?

H2O4ALL is an international charity delivering water solutions through engagement, innovation, and sustainability. *Since H2O4ALL's founding in 2008, we have brought safe and clean water to more than 1 million people!*

ENGAGEMENT

We believe engagement begins with listening. We partner with local community leaders to find sustainable solutions to the issues they are facing.

INNOVATION

We work alongside our partners to develop innovative tools that are state-of-the-art, affordable, and appropriate technologies.

SUSTAINABILITY

Through training, ongoing support, and cooperation, we create environmentally regenerative water projects that keep flowing for years to come.

Watch this video to learn more about the global water crisis and what H2O4ALL is doing to make a difference!

<https://www.youtube.com/watch?v=iUXx14ZYgSk&t=1s>

Water transforms lives! When communities have access to clean and safe water, community health improves, agricultural productivity increases, and women have greater access to educational and employment opportunities.

Thank you for getting active and making a **Move 4 Change** with H2o4all

We thank you for your ongoing support of our efforts to bring safe and clean water to the 1.2 Billion still waiting around the globe.
